Letter from E.M. Gawne Esq., I.C.S., Collector of South Kanara, No. Ref. A-6-9946/32 dated 27th June 1933.-

The Vicar of Aikala church applies for on darkhast S.No. 135/1A of Aikala village in Mangalore taluk. It forms kumki to S.No. 61/2 held jointly by the Church and some others. As the other joint holders also apply for their kumki in the plot, it has been apportioned among all the joint holders according to their frontage and enjoyment. S.No. 135/1A3 measuring 83 cents forms kumki and frontage to the kadim land of the Church and it is proposed for assignment to the Church. A portion of it also lies within an old kumki enclosure. I consider that the division

made in this case is equitable. The claims of the Chrch for the remaining portion are found to be ~~untebale~~ untenable.

2. One Vincent Costa also applies for the plot; but enquiry shows that his claims to it do not deserve any consideration.

3. The Church is a member of the Parish Union of the Diocese of Mangalore. The Vicar has no objection to the assignment of the plot to the Parish Union, the Secretary of which is also willing to have it on darkhast. I therefore request that the Board may be pleased to obtain the sanction of Government for its assignment to the Parish Union.

4. The Parish Union holds 5.09 acres of dry land in the village. The total extent of land owned by it in the district is 125.37 acres and its approximate market value is estimated at Rs.7,196.
